Jeremy:

Thanks for the response. I will discuss the logistics with our client re direct email; however, our client has requested that all correspondence be made to our firm directly at this time. As such, please let me know what additional information you are seeking with respect to the Market Quote process.

Hi John,

Thanks for your email and sorry for the delay in responding - I was on vacation and unfortunately didn't have access to my email. I have a number of requests for further information from RHF with respect to their Market Quote process before we can proceed forward. I am happy to direct my communication to you, but my strong preference would be that RHF be included as a recipient of my requests (by email) if possible, since they are the ultimate counterparty that Lehman Brothers faces. Could you please provide me with Frank Rossello's or Brian Magnone's email addresses so I can cc them as well? I only have their phone numbers currently.

Thanks for your help,  
Jeremy

Jeremy:

Please be advised that our firm is counsel to Retirement Housing Foundation ("RHF") with respect to the Lehman Brothers matter. I understand that you have contacted RHF to obtain further information relative to the termination calculations under the swap transaction between the parties. Please direct all future correspondence and inquiries to our office, and we will try to assist you with respect to this matter.

Regards,

John
